Declarations of conformity – REACH

As a manufacturer of electronic products, the Quantec Services GmbH is a so-called "downstream user" within the meaning of Regulation 1907/2006 of the European Parliament and of the European Council concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH). Obligations arising from the manufacture and placing on the market of substances/chemicals for pre-registration or registration (ECHA) do not apply to us. Our products are finished products and therefore not to be defined as substances or preparations (according to Article 3 definitions). Furthermore, no substance is released from the products under normal and reasonably foreseeable conditions of use. The Quantec Services GmbH is therefore not subject to registration or the obligation to prepare safety data sheets. During production, substances and mixtures are used for which all supplier information required by REACH is available.

Based on the information currently available to us from our suppliers, we can assure you that none of the substances listed in the REACH Annexes, Candidate List of Substances of Very High Concern (SVHC) in a concentration above 0.1% by mass, REACH Annex XIV (Authorization) and Annex XVII (Restrictions) are contained in the printed circuit boards and other products placed on the market by Quantec Services GmbH.

The current list of candidates can be found at:

<https://www.echa.europa.eu/candidate-list-table>

Furthermore, we would inform you if components of our products were to be reclassified by the European ECHA. This position reflects our current state of knowledge, but we cannot accept any liability or warranty for factors outside our area of responsibility.
